

10th Grade Compact 2016 - 2017

Open Communication

The 10th grade team here at Elite Scholars Academy Magnet School believes that the only method to achieving our educational goals requires that parents and educators work together closely to provide our students with a challenging and supportive learning environment both in the school building and at home.

In order to achieve that objective, the lines of communication must be kept open. As such, please feel free to call, write a note, or e-mail us if you have concerns or questions about your child's education. We are always available to schedule a conference to discuss any issue or concern you have regarding your child. Please contact Mr. LeBoeuf via email to schedule a conference.
